

BINDHU SHREE K.R

Backend Developer & Machine Learning Enthusiast

Bangalore, Karnataka | +91 6363539715 | bindhushreebindhushree28@gmail.com | linkedin.com/in/bindhu-shree-k-r

PROFESSIONAL SUMMARY

Information Science & Engineering undergraduate passionate about backend development, RESTful APIs, cloud databases, and applied machine learning. Experienced with Python, Java, SQL, and AWS services.

WORK EXPERIENCE

Backend Intern - AES Company, Tiruchirappalli

Ongoing Internship

- Developing and maintaining scalable backend application components and RESTful APIs.
- Designing schemas and querying SQL databases for optimized data retrieval and persistence.
- Debugging, testing, and optimizing backend systems following clean architecture and best practices.

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript, SQL

Backend & Systems: RESTful APIs, Data Structures & Algorithms, Flask, SQL Databases

Cloud & Database: Amazon S3, Amazon DynamoDB, AWS API Gateway

Machine Learning & AI: Machine Learning with Python, Natural Language Processing (NLP)

Web & UI/UX: HTML5, CSS3, JavaScript, Figma, Canva

Productivity & Tools: Git, GitHub, Microsoft Word, Excel, PowerPoint

KEY PROJECTS

AI-Based Chatbot for Healthcare Using Machine Learning (Ongoing)

Technologies: Python, Machine Learning, NLP, HTML5, CSS3, JavaScript

- Engineered an intelligent conversational health assistant for symptom analysis and triage guidance.
- Implemented multilingual interaction and critical emergency detection logic for patient safety.

Smart Heritage Tourism Solution (MyMysuru Ideathon - Vision 2030)

Technologies: Figma, Canva, PowerPoint, Google Maps API concepts

- Devised a smart tourism concept to promote sustainable heritage preservation and city navigation.
- Built end-to-end interactive prototypes and presentation pitch for the ideathon jury.

EDUCATION

Bachelor of Engineering - Information Science & Engineering

Gopalan College of Engineering and Management, VTU | Expected 2027 | CGPA: 7.65 / 10.0

Pre-University Course - Samrudhi PU College | Percentage: 72.32%

SSLC (10th) - Sri Sharada Vidyalaya | Percentage: 92.32%

CERTIFICATIONS & LEADERSHIP

- AWS Skill Builder: Intro to Amazon S3, Amazon DynamoDB, Amazon API Gateway
- IBM: Machine Learning with Python | Data Analysis with Python
- Infosys Springboard: Data Structures & Algorithms using Java | Prompt Engineering
- Coursera: Machine Learning using Python
- Class Representative: Gopalan College of Engineering & Management (3 Semesters)
- Team Leader: Mysuru 2030 Ideathon - Spearheaded planning, task allocation, and presentation.
